It seems evident, therefore, that it is up to Absoquerque and the tate to find some way of equipping ow fair grounds for the 1916 fair, and at the same time to hold as anyserul a tair he was held this year, order that we may have the right to go to the next legislature and look for a sofficient apprapriation to links the equipping of the grounds and to finance a successful state fall for SHIPS AN COURT

This may appear to some as a task almost impossible, but in view of what has been accomplished in the post six months by the present commontion, we believe that if persons needed to carry on this work can be THURSDAY NOVEMBER 11, 1915 prevailed upon to assume responsibility, and if Alloquerque properly co-operates, the 1916 fair can be held upon the new grounds and can be so financed that it will be as successful
